# Food for Fines Amnesty

[Back to search](#)

Clear your overdue library fines!

Simply donate an item of non-perishable food, and the library will clear any overdue fines on your returned items. No questions asked.

This year you can also donate toiletries and other essentials including new socks and underwear.

This is a fantastic opportunity to return that book, magazine, audiobook, CD or DVD that is still sitting at home - even if it has been years!

Donations will go to local charity organisations throughout the library service region, and will also be accepted from people who would simply like to give to a good cause.

For more information please contact us.
