# Summer Reading Club

[Back to search](#)

Read by yourself or read to a friend, read with a family member - there's really no end!

The Summer Reading Club is a FREE national program offering a fun way for families to support their children's literacy development.

A child's reading achievement tends to decline over the holidays, and the Summer Reading Club helps to prevent this slide by encouraging reading for fun and enjoyment all summer long!

To join the Summer Reading Club Challenge, children and young people aged 0 to 18 are invited to:

- Visit the library to receive their free Summer Reading Club Challenge Kit
- Enjoy reading books and listening to stories
- Collect free bonuses from the library when they reach reading milestones
