# Family History

Discover your family history at Macquarie Regional Library with many resources to assist you.

- Look through books full of tips on how to research your family history, and published local and family history books and pioneer registers.
- Study genealogical resources including historical births, deaths & marriages records and indexes, immigration & convict records, electoral rolls, Sands directories, burials records, and cemetery inscriptions.
- Access historical, local newspapers in print, on microfilm, or online.
- Go online with Ancestry Library Edition, for access to Australian and international resources, available in any of our branch libraries.
- Request resources from other libraries through our document delivery service.
- Let us link you to free genealogical websites and local family history groups.
