Costa Georgiadis Online Author Talk

[Back to search](#)

Costa will be in conversation with Robyn Syphers from Camden Libraries to discuss his gardening and sustainability knowledge brought together in his new book *Costa's World*.

About Costa's World: A generous, joyous, fully illustrated gardening book, *Costa's World* celebrates the life-changing joy of chooks; kids in the garden; big ideas for small spaces; Costa's favourite plants; growing the right plants for your conditions; biodiversity in the soil and garden; the power of community; the brilliance of bees and pollinators; easy-peasy permaculture; and much, much more. Bringing together all of Costa's gardening and sustainability knowledge, this is a book for the whole family that reflects Costa's philosophy and big-hearted sense of fun.
