Based on his experiences growing up in Coonabarabran and work as a nurse, *Denizen* is a rural thriller that explores the catastrophic consequences of unchecked mental illness in the bush.

A rural thriller from the winner of the 2021 Penguin Literary Prize.

On a remote property in western NSW, nine-year-old Parker fears that something is wrong with his brain. His desperate attempts to control this internal chaos spark a series of events that gallop from his control in deadly and devastating ways.
