Are you keen to improve your digital skills or know someone who is? Come along to our free, fun Tech Savvy workshops for seniors at Coolah Library where we'll show you how to get started with email, the Internet, social media, sharing photos and more!

Join us for the Tech Savvy Seniors program at Coolah Library, where we invite seniors to explore the digital world and enhance their tech skills over six engaging weeks. This program, made possible through a partnership between the NSW Government, the State Library of NSW, and Telstra, aims to empower seniors with the knowledge and confidence to navigate various digital technologies effectively.

The program will run for six weeks, starting from 11th October and concluding on 15th November 2023. Each session will be held on Wednesday mornings from 10:00 am to 12:15 pm.
