Join us for snacks and a screening of the uplifting and poignant drama *Mona Lisa Smile*, starring Julia Roberts, Kirsten Dunst and Julia Stiles.

In 1953, a time when women's roles were rigidly defined, novice art history professor Katherine Watson begins teaching at the prestigious all-female Wellesley College, which despite its academic reputation is an environment where success is measured by how well the students marry. Encouraging these women to strive for a more enlightened future, Watson challenges the administration to look beyond the image of what is and consider the possibilities of what could be.
