# Dr Michael Bennett presents...

**PATHFINDERS**  
THE HISTORY OF NSW  
ABORIGINAL TRACKERS

**History of Aboriginal Trackers on the Western Plains**

13 July 2017 | 2pm | Dubbo Library

Aboriginal Trackers were a vital component of NSW Police particularly in the central-west of NSW.

Wiradjuri Trackers pursued bushrangers, solved murders and found people lost in the bushland.

Dr Bennett will talk in detail about some of the better known local characters, Alex Riley and Jimmy Nerang, and less well known Trackers including the two Jimmy Combos.

Join Dr Bennett at the Macquarie Regional Library for a fascinating look into an important but under acknowledged part of local history.

Free event | Bookings 6801 4510
